## PURPLE GROOMS FOR GAME WITH INDIANA; BIG 10 CAMPS REST

Illinois Starts Work for Army; Rockne Lectures Shock Troops.

**BY WILLIAM WEEKES**  
Associated Press Sports Writer

CHICAGO, Nov. 4.—Indiana's well-mailed Hoosiers need expect no mercy from Northwestern when they meet at Bloomington Saturday.

Comparison of the season accomplishments by the Wildcats and Hoosiers might indicate Northwestern could regard the game as a breather. But Coach Dick Hanley never will feel that way about Indiana again.

Three years in a row, Northwestern was a top heavy favorite to whip Indiana—and Northwestern got three lickings in a row. In 1927 the Hoosiers defeated Tiny Lewis, Yatz Levinson and Vic Gustafson, et. al. 18 to 7. Northwestern figured to cop in 1928, but Chuck Bennett hustled through the rain for the only score of the day and Indiana won, 6 to 0.

Last fall Northwestern was a lead-pipe cinch before the game. But it happened again when Harry Rose cut loose in the last eight minutes to give Indiana a 19 to 14 decision, and that is why Dick Hanley doesn't regard any kind of an Indiana team as a set-up.

**Wolves After Drive**  
The most strenuous practice session yesterday was held at Ann Arbor, where Harry Kipke is polishing up Michigan's attack for use against Harvard Saturday. Kipke called off a scrimmage yesterday and spent the whole period on trying to inject a punch in the Wolverine line. Michigan has won its three Big Ten triumphs chiefly by forward passing, and Kipke is working overtime to develop a ground offense to augment the aerial game.

Little or no work was done in other Big Ten camps yesterday. The Purdue, Illinois and Wisconsin squads were excused of anything having to do with football, while only the reserves drilled at Indiana, Minnesota, Ohio State, Iowa and Chicago.

**To Practice Twice**  
Illinois will practice only twice before meeting Army at New York Saturday and the program does not include scrimmage. Minnesota also will take it easy, Coach Fritz Cralter, preferring to let Saturday's game with South Dakota take care of itself while he plots against Michigan, which will be met a week from Saturday. Wisconsin, with South Dakota State college as its opponent this week, likewise will look ahead one week to the Northwestern battle.

Purdue is not worried over its contest with Chicago Saturday and the Bollmanmakers will not be worked hard. Much encouraged by its somewhat surprising victory over Detroit last week, Iowa is hopeful of adding Marquette's powerful eleven to its list Saturday.

Notre Dame, regulars and all, will put in a busy week in preparation for Pennsylvania. The first two teams were ordered out for practice yesterday to hear Coach Rockne express his dissatisfaction over the conduct of the shock troops who were held scoreless Saturday by Indiana.

NEW YORK, Nov. 4.—When Clifford A. Cochran's The Eagle won the Cedar handicap at Empire city yesterday, it was the forty-first time in 114 starts this season that the famous green and gold hoop colors have flashed down past the judges' stand in front.

## WESLEYAN TO WORK ON NEW PLAYS FOR BATTLE WITH MIAMI

Bishops Forego Scrimmages in Order to Avoid Additional Injuries.

**BY BOB KIRKPATRICK**  
LORD is the wailing around the training camp of the B. A. A. as the Ohio Wesleyan Bobcats weekly (that's not weekly, either) move a stride closer to their second consecutive conference championship. The Bishops coached team has steered everything in its path this season with the exception of West Liberty, who deadlocked the Cats 13-13. Ohio has only two more association teams to defeat to win the second title and only one of them is expected to furnish opposition that merits the name Denison is on the books for Ohio this week and when the game is over Ohio should have a lot more points to add to its scoring column for the season.

When Ohio Wesleyan is met it might be a different story however for the Bishops are no weak outfit, notwithstanding their early season walloping by Heldberg's Student Prince. Coach Gauthier can be depended on to put a team on the field that will give the Bobcats a good game although just at present it doesn't look like the Bishops will be able to defeat the Athens team.

Local football interest is at a rather low ebb in Marion this week. Handling does not play at all, Wesleyan is out of town visiting Miami in Oxford and Ohio State is out to sink the Navy grid cruiser. Or is it a deadweight?

Those persons who usually talk the boss into letting them off to go to the "big game" will this Saturday be twisting the dial of the radio in an effort to learn whether or not Hinchman gained on his try off the Navy's left tackle or was thrown for a loss going around right end. Radio should have a big day locally.

Probably the only game within driving distance that will be what might be termed a good football game will be the Oglethorpe-Wittenberg battle in Springfield. The Lutheran outfit was expected, before the first game of the year, to go through the season with an imposing record. The record to date is imposing alright, but not in the way in which it was expected. It is imposing on account of the results that are written in red ink on the won and lost ledger.

Even though the Springfield team has lost a lot of games they seem to be improving as they defeat the improving Marshall college team last Saturday. Maybe this week Oglethorpe will be considered enough to allow them to walk off the field with another victory. Whoever wins it will be a good chance to see how the team performs that has as one of its coaches, Harding's former mentor, Baldy Compton.

## AFTER SERVICE GAME

**By The Associated Press**  
CHICAGO, Nov. 4.—An attempt to repair the gridiron rift between the Army and Naval academies, in the interest of relief for the unemployed, had been initiated by George F. Getz, chairman of the Illinois unemployment commission. Getz has wired Congressman Fred Britton, to use his influence toward bringing about a post season football game between the institutions for Soldier field. Receipts would be approximately \$750,000.

## BOUT CANCELED

**By The Associated Press**  
CLEVELAND, O., Nov. 4.—The scheduled bout tomorrow night between Harold Scarney, Youngstown heavyweight, and Arvin Spence, Cleveland, has been canceled by the Cleveland boxing commission because Scarney reported he was injured in training. Matchmaker Ernest Perkins was unable to produce a capable substitute.

Here are three of the main reasons why this year's edition of the Yale football team is having such a successful season this year. Little Albie Booth, the "mighty atom of the gridiron," seems to be destined for a berth on the all-American this year. Joe Crowley, veteran fullback and Bob Parker, halfback, are other standbys in the Yale machine.

Booth played a sensational game last Saturday when the Yale team held the highly touted Dartmouth aggregation to a scoreless tie.

## 3 MINUTES' PLAY TO LOSE YEAR FOR JOE

Rockne To Lose Brilliant Fullback at End of 1930 Season.

**By International News Service**  
CHICAGO, Nov. 4.—If some one could conveniently erase from Knute Rockne's memory just three minutes of a particular battle between Notre Dame and Georgia Tech in 1928 he undoubtedly would be happy to supply this individual with a bushel basket of tickets on the 50-yard line for the N. D.-Army game.

Here's the reason: In that particular contest (Tech whacked the Rocks, 13 to 0) Joe Savoldi played at fullback three minutes. And that was all the time he played all the season of 1928. But just the same it counts as a year of competition, so jumpin' Joseph will play no more football at N. D. after this season.

If you ask Rockne about this

particular game he will politely refrain from speaking. You see, it's a sore spot and one that he never fails to think about when he sees the people's choice rummaging an opposing line these Saturdays for anywhere from five to 50 yards.

Savoldi at the time was rather a green lug. He could run whenever he was able to hold the ball, but the dash he flashes today was missing. He was a flop on defense and probably did more harm than good while in the lineup.

## Five Regulars Now on List of Injured

Fesler Hurt, but Will Be in Middle Game; Haubrich Doubtful.

**BY JOSEPH K. RUKENBROD**  
International News Service Sports Writer

COLUMBUS, O., Nov. 4.—Ohio State's regulars today as the crippled Buckeye warriors prepared for the battle to Baltimore where they stage their first onslaught against the Navy Saturday afternoon.

Elated and cheerful over their feat of Saturday when they battled a highly-rated Wisconsin eleven to a tie, the Buckeyes were being drilled hard for the encounter with Bill Ingram's team.

The Buckeye trainers will have their hands full this week in diminishing the hospital list which consists of Wesley Fesler, Bob Haubrich, Sam Soley, Bert Nasman and Stu Holcomb.

For the first time in his collegiate career which has been a triple blaze of glory in three major sports, Fesler was forced to leave the game Saturday when his injured wrist was battered by the Badgers. He was expected to be in shape for the Navy clash.

## Haubrich Doubtful

The condition of Haubrich, giant tackle is doubtful. The fellow, who has proved to be one of the main cogs in the Ohio forward wall this season, staggered off the field Saturday in extremely poor health. It was later revealed that he had played most of the game more or less mechanically after being clawed by the Badgers in the first scrimmage play.

His condition had caused not a little worry to the Scarlet coaches for two weeks but it was believed that he was in playing shape. A severely injured shoulder, suffered in the Northwestern game, was responsible. It was doubtful whether he would play in the Navy tilt.

Bert Nasman, plucky sophomore center, who warmed the bench last Saturday, in all probability will start against the Middles. Ben Smith, another second-year man, capably held down the snapping post against Wisconsin.

## Surprised Followers

Ohio State, presenting a completely rejuvenated outfit against Wisconsin, surprised even its most ardent followers by fighting doggedly to hold the Cardinal scoreless. The Badgers considered the tie as a defeat and they trekked back to their lair at Madison morally whipped. The Scarlet were jubilant at the outcome and even Sam William looked over the game and thought it was an Ohio victory.

To some, the Wisconsin game was thrilling, despite the scoreless end, but to us it was listless and almost sluggish. The only thrill was provided in sending the Badgers home without a victory. They were openly disappointed. The experts had said they would win. Maybe they should have, but that doesn't count after the final gun.

A different proposition will be presented in the Navy game. Ohio's line should be able to handle the Blue forward wall, but the real problem will be in the backfield. The Navy's smooth-running backs, who have rambled through several strong outfits to pile up large scores, will be hard to stop.

If Ohio's running attack lacks the scoring punch that has been absent in the past three games, it may be too bad.

When the average man makes his wife a costly present it's a sign that he has a guilty conscience.

### OHIO WEATHER A YEAR AGO

What a dizzy dance of shifting temperatures! These sudden shifts from cold to heat are mighty tough on motor oil—unless yours is Sohio!

## Change NOW to SOHIO... the Oil that's safe at Zero... or 100° above

Old Man Winter is about to stage his annual surprise party! Last year he swept down on Ohio and caught many a motorist with the wrong kind of oil. Many a car stalled, many a battery died.

But thousands of Ohio motorists had already switched to winter-grade SOHIO—and their motors were protected from Ohio's erratic winter weather.

Sohio Motor Oil is safe at Zero or 100° above because it is free from the harmful wax that clogs motors in cold weather—that breaks down in hot weather. Sohio Engineers removed the harmful wax from Sohio and built a motor oil of Controlled Viscosity in which Toughness, Flexibility, Smoothness and Purity have been perfectly coordinated.

Today is the day to change to that rich, full-bodied Sohio Motor Oil in the winter grade specified for your car. Then winter won't catch you napping!

## The Stars Say—

For Wednesday, Nov. 5

A DAY of stirring, probably exciting events may be predicted from the strong places of powerful planets. There may be a tendency to impetuous moves or precipitate actions in order to launch plans for new undertakings or for negotiations with large corporations or through secret arrangements. Change seems to be involved and the best aspects of the proposition may be negated by hasty or rash deeds. Personal affairs have also a tendency to impetuosity and indiscretion.

Those whose birthday it is may look for a year of some commotion and turbulence, with the danger of precipitate and unwise action in connection with launching new enterprises. Penetration and calm action are enjoined if success is to crown the desires and also bring gratification in personal associations.

A child born on this day may be disposed to be rash, headstrong, quarrelsome, although resourceful and enterprising. It may inspire its best interests by its tendency to violent and passionate conduct unless tamed early.

Hard Political Campaign Closes in This District

24-Year Record Expected To Be Set as Interest in Election Runs High; Leaders of Major Parties Express Confidence on Eve of Balloting.

Seven counties in north central Ohio marched to the polls with election board officials predicting one of the heaviest turnout of votes in many years. A telephone check-up late this morning indicated that all over the district the registered voters had cast their ballots before the close of the election.

HARDIN COUNTY VOTE HEAVY

Hard Political Fight Ends With Opening of Polls. KENTON, Nov. 4.—A record for an off-year election is being set in Kenton and Hardin counties today.

After fight between the Republicans and Democrats to gain control of the county offices, which are now held by Republicans, has prompted the heavy balloting.

Both party leaders on the eve of election predicted victories for their ticket.

The heated campaigns were closed here Monday with Gov. Myers Y. Cooper as the principal spokesman for the Republicans and Martin L. Davey, of Canton, Democratic gubernatorial candidate two years ago, and Brooks Fletcher of Marion, former con-

gressman, appearing for the Democrats. Senator Fess also aided the Republicans in the closing hour of their campaign.

COUNTY VOTES EARLY

Race for Commissioner Features Morrow County Federation. MT. GILEAD, Nov. 4.—Morrow county went to the polls early today and political leaders were forecasting a record vote for a non-political year.

Today's election brings to a close one of the hardest fought campaigns in recent years.

Although the county is normally Republican, local observers are anticipating that several new Democratic officials will be swept into office.

However, each party is confident of making a clean sweep.

Interest is centered on the race between G. W. Turner, Republican and present commissioner, and W. J. Fulton, Democrat. A third man, R. C. Williams, may complicate the race. He is running on the Prohibition ticket.

DEMOCRATS SEEK CONTROL

Party Leaders Lead Followers to Polls in Crawford County. BUCYRUS, Nov. 4.—One of the most hotly contested political battles staged in Crawford county for many years will be settled at the polls today when the Democratic ranks will attempt to regain control of the county after two years of mixed politics in the county offices.

Two years ago voters in the county placed in the offices of sheriff and prosecuting attorney Republican candidates for the first time in this history of the county, and from Republican headquarters confidence has been expressed that not only will their G. O. P. candidates be re-elected but that their ranks will further invade the court house offices.

Local Democrats closed their campaign last night with an old time rally and red flare parade.

A heavy vote is predicted with an unusual amount of scratching as a feature.

Many a man who hopes to wake up and find himself famous forgets to set his alarm.

KENTON MAN KILLED AT PEN

Two Others Dead Following Landslide at Roseville Brick Plant.

COLUMBUS, O., Nov. 4.—Three convicts were dead today as a result of a landslide at the Roseville brick plant near Zanesville yesterday. A fourth was in the Ohio penitentiary hospital here recovering from an injured back.

The men were buried beneath rock and shale from a hillside on which they had been conducting drilling operations. Chan Hulbert, 36, of Hardin county and Thomas Jackson, 30, negro, of Cuyahoga county, were killed outright. John Maddock, 42, of Trumbull county died while being taken to the hospital at the main prison here.

Leonard Walls, 33, negro of Cuyahoga county, received serious back injuries, but hospital attendants said he would live.

The plant is an honor branch of the penitentiary. Officials said the drilling operations probably loosened the hillside.

Hulbert entered the penitentiary Jan. 30, 1925, to serve seven years for larceny, and Maddock was received Nov. 15 of the same year to serve 10 years for burglary and larceny. Jackson was serving 7 to 20 years for manslaughter and entered the prison Nov. 4, 1925.

Stubborn Coughs Ended by Recipe, Mixed at Home

Here is the famous old recipe which millions of housewives have found to be the most dependable means of breaking up a stubborn, lingering cough. It takes but a moment to prepare and costs little, but it gives real relief even for those dreaded coughs that follow severe cold epidemics.

From any drugist, get 2 1/2 ounces of Pinex, pour it into a pint bottle and fill the bottle with plain granulated sugar syrup or strained honey. Thus you make a full pint of better remedy than you could buy ready-made for three times the cost. It never spoils and tastes so good that even children like it.

Not only does this simple mixture soothe and heal the inflamed throat membrane with surprising ease, but also it is absorbed into the blood, and acts directly upon the bronchial tubes, thus aiding the whole system in throwing off the cough. It loosens the germ-laden phlegm and eases chest soreness in a way that is really astonishing.

Pinex is a highly concentrated compound of genuine Norway Pine, containing the active agent of creosote, in a refined, palatable form. Nothing known in medicine is more helpful in cases of distressing coughs, chest colds, and bronchial troubles.

Do not accept a substitute for Pinex. It is guaranteed to give prompt relief or money refunded.
